§ 104.1 Purpose.

This part implements the provisions of the September 11th Victim Compensation Fund of 2001, Title IV of Public Law 107-42, 115 Stat. 230 (Air Transportation Safety and System Stabilization Act), as amended by the James Zadroga 9/11 Health and Compensation Act of 2010, Title II of Public Law 111-347, to provide compensation to eligible individuals who were physically injured as a result of the terrorist-related aircraft crashes of September 11, 2001, or debris removal during the immediate aftermath of those crashes, and to the “personal representatives” of those who were killed as a result of the crashes. All compensation provided through the Fund will be on account of personal physical injuries or death.

§ 104.2 Eligibility definitions and requirements.

(a) *Eligible claimants.* The term eligible claimants means:

(d) *Personal Representative.* The term Personal Representative shall mean the person determined to be the Personal Representative under §104.4 of this part.

(e) *WTC Health Program.* The term WTC Health Program means the World Trade Center Health Program established by Title I of Public Law 111-347 (codified at Title XXXIII of the Public Health Service Act, 42 U.S.C. 300mm through 300mm-61).

(f) *WTC-related health condition.* The term WTC-related health condition means those health conditions identified as WTC-related by Title I of Public Law 111-347 and by regulations implementing that Title.

(1) The claimant demonstrates that a minor child of the victim was born or adopted on or after January 1 of the year of the victim's death;

(2) Another person became a dependent in accordance with then-applicable law on or after January 1 of the year of the victim's death; or

(3) The victim was not required by law to file a Federal income tax return for the year prior to the year of the victim's death.

Department of Justice

§ 104.6

(e) *Victim.* The term victim shall mean an eligible injured claimant or a decedent on whose behalf a claim is brought by an eligible Personal Representative.

(f) *Substantially Complete.* A claim becomes substantially complete when, in the opinion of the Special Master or her designee, the claim contains sufficient information and documentation to determine both the claimant's eligibility and, if the claimant is eligible, an appropriate award.

§ 104.4 Personal Representative.

(a) *In general.* The Personal Representative shall be:

(1) An individual appointed by a court of competent jurisdiction as the Personal Representative of the decedent or as the executor or administrator of the decedent's will or estate.

(2) In the event that no Personal Representative or executor or administrator has been appointed by any court of competent jurisdiction, and such issue is not the subject of pending litigation or other dispute, the Special Master may, in her discretion, determine that the Personal Representative for purposes of compensation by the Fund is the person named by the decedent in the decedent's will as the executor or administrator of the decedent's estate. In the event no will exists, the Special Master may, in her discretion, determine that the Personal Representative for purposes of compensation by the Fund is the first person in the line of succession established by the laws of the decedent's domicile governing intestacy.

(b) *Notice to beneficiaries.* (1) Any purported Personal Representative must, before filing an Eligibility Form, provide written notice of the claim (including a designated portion of the Eligibility Form) to the immediate family of the decedent (including, but not limited to, the decedent's spouse, former spouses, children, other dependents, and parents), to the executor, administrator, and beneficiaries of the decedent's will, and to any other persons who may reasonably be expected to assert an interest in an award or to have a cause of action to recover damages relating to the wrongful death of the decedent.

(2) Personal delivery or transmission by certified mail, return receipt requested, shall be deemed sufficient notice under this provision. The claim forms shall require that the purported Personal Representative certify that such notice (or other notice that the Special Master deems appropriate) has been given. In addition, as provided in § 104.21(b)(5) of this part, the Special Master may publish a list of individuals who have filed Eligibility Forms and the names of the victims for whom compensation is sought, but shall not publish the content of any such form.

(c) *Objections to Personal Representatives.* Objections to the authority of an individual to file as the Personal Representative of a decedent may be filed with the Special Master by parties who assert a financial interest in the award up to 30 days following the filing by the Personal Representative. If timely filed, such objections shall be treated as evidence of a "dispute" pursuant to paragraph (d) of this section.

(d) *Disputes as to identity.* The Special Master shall not be required to arbitrate, litigate, or otherwise resolve any dispute as to the identity of the Personal Representative. In the event of a dispute over the appropriate Personal Representative, the Special Master may suspend adjudication of the claim or, if sufficient information is provided, calculate the appropriate award and authorize payment, but place in escrow any payment until the dispute is resolved either by agreement of the disputing parties or by a court of competent jurisdiction. Alternatively, the disputing parties may agree in writing to the identity of a Personal Representative to act on their behalf, who may seek and accept payment from the Fund while the disputing parties work to settle their dispute.

§ 104.5 Foreign claims.

In the case of claims brought by or on behalf of foreign citizens, the Special Master may alter the requirements for documentation set forth herein to the extent such materials are unavailable to such foreign claimants.

§ 104.6 Amendments to this part.

Claimants are entitled to have their claims processed in accordance with

the provisions of this Part that were in effect at the time that their claims were submitted under §104.22(d). All claims will be processed in accordance with the current provisions of this Part, unless the claimant has notified the Special Master that he or she has elected to have the claim resolved under the regulations that were in effect at the time that the claim was submitted under §104.22(d).

Subpart B—Filing for Compensation

§ 104.21 Presumptively covered conditions.

(a) *In general.* The Special Master shall maintain and publish on the Fund's Web site a list of presumptively covered conditions that resulted from the terrorist-related air crashes of September 11, 2001, or debris removal. The list shall consist of physical injuries that are determined to be WTC-related health conditions by the WTC Health Program.

(b) *Updates.* The Special Master shall update the list of presumptively covered conditions as the list of WTC-related health conditions by the WTC Health Program is updated. Claims may then be amended pursuant to §104.22(e)(ii).

(c) *Conditions other than presumptively covered conditions.* A claimant may also be eligible for payment under §104.51 where the claimant—

- (1) Presents extraordinary circumstances not adequately addressed by the list of presumptively covered conditions; and
- (2) Is otherwise eligible for payment.

§ 104.22 Filing for compensation.

(a) *Compensation form; “filing.”* A claim shall be deemed “filed” for purposes of section 405(b)(3) of the Act (providing that the Special Master shall issue a determination regarding the matters that were the subject of the claim not later than 120 calendar days after the date on which a claim is filed), and for any time periods in this part, when it is substantially complete.

(b) *Eligibility Form.* The Special Master shall develop an Eligibility Form, which may be a portion of a complete claim form, that will require the

claimant to provide information necessary for determining the claimant's eligibility to recover from the Fund.

(1) The Eligibility Form may require that the claimant certify that he or she has dismissed any pending lawsuit seeking damages as a result of the terrorist-related airplane crashes of September 11, 2001, or for damages arising from or related to debris removal (except for actions seeking collateral source benefits) within 90 days of the effective date of this part pursuant to section 405(c)(3)(C)(ii) of the Act and that there is no pending lawsuit brought by a dependent, spouse, or beneficiary of the victim.

(2) The Special Master may require as part of the notice requirement pursuant to §104.4(b) that the claimant provide copies of a designated portion of the Eligibility Form to the immediate family of the decedent (including, but not limited to, the spouse, former spouses, children, other dependents, and parents), to the executor, administrator, and beneficiaries of the decedent's will, and to any other persons who may reasonably be expected to assert an interest in an award or to have a cause of action to recover damages relating to the wrongful death of the decedent.

(3) The Eligibility Form may require claimants to provide the following proof:

- (i) Proof of death: Death certificate or similar official documentation;
- (ii) Proof of presence at site: Documentation sufficient to establish presence at a 9/11 crash site, which may include, without limitation, a death certificate, proof of residence, such as a lease or utility bill, records of employment or school attendance, contemporaneous medical records, contemporaneous records of federal, state, city or local government, a pay stub, official personnel roster, site credentials, an affidavit or declaration of the decedent's or injured claimant's employer, or other sworn statement (or unsworn statement complying with 28 U.S.C. 1746) regarding the presence of the victim;
- (iii) Proof of physical harm: Certification of a conclusion by the WTC

Department of Justice

§ 104.22

Health Program that the claimant suffers from a WTC-related health condition and is eligible for treatment under the program; or a health form provided by the Fund and completed by a licensed medical professional.

(iv) **Personal Representative:** Copies of relevant legal documentation, including court orders; letters testamentary or similar documentation; proof of the purported Personal Representative's relationship to the decedent; copies of wills, trusts, or other testamentary documents; and information regarding other possible beneficiaries as requested by the Eligibility Form;

(v) Any other information that the Special Master deems necessary to determine the claimant's eligibility.

(4) The Special Master may also require waivers, consents, or authorizations from claimants to obtain directly from third parties tax returns, medical information, employment information, or other information that the Special Master deems relevant in determining the claimant's eligibility or award, and may request an opportunity to review originals of documents submitted in connection with the Fund.

(5) The Special Master may publish a list of individuals who have filed Eligibility Forms and the names of the victims for whom compensation is sought, but shall not publish the content of any such form.

(c) *Personal Injury Compensation Form and Death Compensation Form.* The Special Master shall develop a Personal Injury Compensation Form that each injured claimant must submit. The Special Master shall also develop a Death Compensation Form that each Personal Representative must submit. These forms shall require the claimant to provide certain information that the Special Master deems necessary to determining the amount of any award, including information concerning income, collateral sources, benefits, settlements and attorneys' fees relating to civil actions described in section 405(c)(3)(C)(iii) of the Act, and other financial information, and shall require the claimant to state the factual basis for the amount of compensation sought. It shall also allow the claimant to submit certain other information

that may be relevant, but not necessary, to the determination of the amount of any award.

(1) Claimants shall, at a minimum, submit all tax returns that were filed for the period beginning three years prior to the year of death or discovery of the injury and ending with the year the claim was filed or the year of death. The Special Master may, at the Special Master's discretion, require that claimants submit copies of tax returns or other records for any other period of years the Special Master deems appropriate for determination of an award. The Special Master may also require waivers, consents, or authorizations from claimants to obtain directly from third parties medical information, employment information, or other information that the Special Master deems relevant to determining the amount of any award.

(2) Claimants may attach to the "Personal Injury Compensation Form" or "Death Compensation Form" any additional statements, documents or analyses by physicians, experts, advisors, or any other person or entity that the claimant believes may be relevant to a determination of compensation.

(d) *Submission of a claim.* Section 405(c)(3)(C) of the Act provides that upon the submission of a claim under the Fund, the claimant waives the right to file a civil action (or to be a party to an action) in any Federal or State court for damages sustained as a result of the terrorist-related aircraft crashes of September 11, 2001, or debris removal, except for civil actions to recover collateral source obligations and civil actions against any person who is a knowing participant in any conspiracy to hijack any aircraft or commit any terrorist act. A claim shall be deemed submitted for purposes of section 405(c)(3)(C) of the Act when the claim is deemed filed pursuant to § 104.22, regardless of whether any time limits are stayed or tolled.

(e) *Amendment of claims.* A claimant who has previously submitted a claim may amend such claim to include:

(1) An injury that the claimant had not suffered (or did not reasonably know the claimant suffered) at the time the claimant filed the previous claim;

§ 104.31

(2) A condition that the Special Master has identified and published in accordance with 104.21(a), since the time the claimant filed the previous claim, as a presumptively covered condition;

(3) An injury for which the claimant was previously compensated by the Fund, but only if that injury has substantially worsened, resulting in damages or loss that was not previously compensated; and

(4) Claims for which the individual is an eligible claimant as a result of amendments contained in the James Zadroga 9/11 Health and Compensation Act of 2010, Title II of Public Law 111-347.

(f) *Provisions of information by third parties.* Any third party having an interest in a claim brought by a Personal Representative may provide written statements or information regarding the Personal Representative's claim. The Claims Evaluator or the Special Master or the Special Master's designee may, at his or her discretion, include the written statements or information as part of the claim.

Subpart C—Claim Intake, Assistance, and Review Procedures

§ 104.31 Procedure for claims evaluation.

(a) *Initial review.* Claims Evaluators shall review the forms filed by the claimant and either deem the claim “filed” (pursuant to §104.22(a)) or notify the claimant of any deficiency in the forms or any required documents.

(b) *Procedure.* The Claims Evaluator shall determine eligibility and the claimant's presumed award pursuant to §§104.43 to 104.46 of this part and, within 75 days of the date the claim was deemed filed, notify the claimant in writing of the eligibility determination, the amount of the presumed award, and the right to request a hearing before the Special Master or her designee under §104.33 of this part. After an eligible claimant has been notified of the presumed award, within 30 days the claimant may either accept the presumed compensation determination as the final determination and request payment, or may instead request a review before the Special Master or

28 CFR Ch. I (7–1–12 Edition)

her designee pursuant to §104.33. Claimants found to be ineligible may appeal pursuant to §104.32.

(c) *Multiple claims from the same family.* The Special Master may treat claims brought by or on behalf of two or more members of the same immediate family as related or consolidated claims for purposes of determining the amount of any award.

§ 104.32 Eligibility review.

Any claimant deemed ineligible by the Claims Evaluator may appeal that decision to the Special Master or her designee by filing an eligibility appeal within 30 days on forms created by the office of the Special Master.

§ 104.33 Hearing.

(a) *Supplemental submissions.* The claimant may prepare and file Supplemental Submissions within 21 calendar days from notification of the presumed award. The Special Master shall develop forms appropriate for Supplemental Submissions.

(b) *Conduct of hearings.* Hearings shall be before the Special Master or her designee. The objective of hearings shall be to permit the claimant to present information or evidence that the claimant believes is necessary to a full understanding of the claim. The claimant may request that the Special Master or her designee review any evidence relevant to the determination of the award, including without limitation: The nature and extent of the claimant's injury; evidence of the claimant's presence at a 9/11 crash site; factors and variables used in calculating economic loss; the identity of the victim's spouse and dependents; the financial needs of the claimant; facts affecting noneconomic loss; and any factual or legal arguments that the claimant contends should affect the award. Claimants shall be entitled to submit any statements or reports in writing. The Special Master or her designee may require authentication of documents, including medical records and reports, and may request and consider information regarding the financial resources and expenses of the victim's family or other material that the Special Master or her designee deems relevant.

Department of Justice

§ 104.41

(c) *Location and duration of hearings.* The hearings shall, to the extent practicable, be scheduled at times and in locations convenient to the claimant or his or her representative. The hearings shall be limited in length to a time period determined by the Special Master or her designee.

(d) *Witnesses, counsel, and experts.* Claimants shall be permitted, but not required, to present witnesses, including expert witnesses. The Special Master or her designee shall be permitted to question witnesses and examine the credentials of experts. The claimant shall be entitled to be represented by an attorney in good standing, but it is not necessary that the claimant be represented by an attorney. All testimony shall be taken under oath.

(e) *Waivers.* The Special Master shall have authority and discretion to require any waivers necessary to obtain more individualized information on specific claimants.

(f) *Award Appeals.* For award appeals, the Special Master or her designee shall make a determination whether:

(1) There was an error in determining the presumptive award, either because the claimant's individual criteria were misapplied or for another reason; or

(2) The claimant presents extraordinary circumstances not adequately addressed by the presumptive award.

(g) *Determination.* The Special Master shall notify the claimant in writing of the final amount of the award, but need not create or provide any written record of the deliberations that resulted in that determination. There shall be no further review or appeal of the Special Master's determination. In notifying the claimant of the final amount of the award, the Special Master may designate the portions or percentages of the final award that are attributable to economic loss and non-economic loss, respectively, and may provide such other information as appropriate to provide adequate guidance for a court of competent jurisdiction and a personal representative.

§ 104.34 Publication of awards.

The Special Master reserves the right to publicize the amounts of some or all of the awards, but shall not publish the name of the claimants or victims that

received each award. If published, these decisions would be intended by the Special Master as general guides for potential claimants and should not be viewed as precedent binding on the Special Master or her staff.

§ 104.35 Claims deemed abandoned by claimants.

The Special Master and her staff will endeavor to evaluate promptly any information submitted by claimants. Nonetheless, it is the responsibility of the claimant to keep the Special Master informed of his or her current address and to respond within the duration of this five-year program to requests for additional information. Claims outstanding at the end of this program because of a claimant's failure to complete his or her filings shall be deemed abandoned.

Subpart D—Amount of Compensation for Eligible Claimants

§ 104.41 Amount of compensation.

As provided in section 405(b)(1)(B)(ii) of the Act, in determining the amount of compensation to which a claimant is entitled, the Special Master shall take into consideration the harm to the claimant, the facts of the claim, and the individual circumstances of the claimant. The individual circumstances of the claimant may include the financial needs or financial resources of the claimant or the victim's dependents and beneficiaries. As provided in section 405(b)(6) of the Act, the Special Master shall reduce the amount of compensation by the amount of collateral source compensation the claimant (or, in the case of a Personal Representative, the victim's beneficiaries) has received or is entitled to receive as a result of the terrorist-related aircraft crashes of September 11, 2001. In no event shall an award (before collateral source compensation has been deducted) be less than \$500,000 in any case brought on behalf of a deceased victim with a spouse or dependent, or \$300,000 in any case brought on behalf of a deceased victim who was single with no dependents.

§ 104.42 Applicable state law.

The phrase “to the extent recovery for such loss is allowed under applicable state law,” as used in the statute’s definition of economic loss in section 402(5) of the Act, is interpreted to mean that the Special Master is not permitted to compensate claimants for those categories or types of economic losses that would not be compensable under the law of the state that would be applicable to any tort claims brought by or on behalf of the victim.

§ 104.43 Determination of presumed economic loss for decedents.

In reaching presumed determinations for economic loss for Personal Representatives bringing claims on behalf of decedents, the Special Master shall consider sums corresponding to the following:

(a) *Loss of earnings or other benefits related to employment.* The Special Master, as part of the process of reaching a “determination” pursuant to section 405(b) of the Act, shall develop a methodology and publish schedules, tables, or charts that will permit prospective claimants to estimate determinations of loss of earnings or other benefits related to employment based upon individual circumstances of the deceased victim, including: The age of the decedent as of the date of death; the number of dependents who survive the decedent; whether the decedent is survived by a spouse; and the amount and nature of the decedent’s income for recent years. The Decedent’s salary/income in the three years preceding the year of death (or for other years the Special Master deems relevant) shall be evaluated in a manner that the Special Master deems appropriate. The Special Master may, if she deems appropriate, take an average of income figures for the three years preceding the year of death, and may also consider income for other periods that she deems appropriate, including published pay scales for victims who were government or military employees. The Special Master’s methodology and schedules, tables, or charts shall yield presumed determinations of loss of earnings or other benefits related to employment for annual incomes up to but not beyond the 98th percentile of

individual income in the United States for the year preceding the year of death. In cases where the victim was a minor child, the Special Master may assume an average income for the child commensurate with the average income of all wage earners in the United States. For victims who were members of the armed services or government employees such as firefighters or police officers, the Special Master may consider all forms of compensation (or pay) to which the victim was entitled. For example, military service members’ and uniformed service members’ compensation includes all of the various components of compensation, including, but not limited to, basic pay (BPY), basic allowance for housing (BAH), basic allowance for subsistence (BAS), federal income tax advantage (TAD), overtime bonuses, differential pay, and longevity pay.

(b) *Medical expense loss.* This loss equals the out-of-pocket medical expenses that were incurred as a result of the physical harm suffered by the victim (i.e., those medical expenses that were not paid for or reimbursed through health insurance or other programs for which the claimant was not charged). This loss shall be calculated on a case-by-case basis, using documentation and other information submitted by the Personal Representative.

(c) *Replacement services loss.* For decedents who did not have any prior earned income, or who worked only part-time outside the home, economic loss may be determined with reference to replacement services and similar measures.

(d) *Loss due to death/burial costs.* This loss shall be calculated on a case-by-case basis, using documentation and other information submitted by the personal representative and includes the out-of-pocket burial costs that were incurred.

(e) *Loss of business or employment opportunities.* Such losses shall be addressed through the procedure outlined above in paragraph (a) of this section.

§ 104.44 Determination of presumed noneconomic losses for decedents.

The presumed non-economic losses for decedents shall be \$250,000 plus an additional \$100,000 for the spouse and

Department of Justice

§ 104.47

each dependent of the deceased victim. Such presumed losses include a noneconomic component of replacement services loss.

§ 104.45 Determination of presumed economic loss for claimants who suffered physical harm.

In reaching presumed determinations for economic loss for claimants who suffered physical harm (but did not die), the Special Master shall consider sums corresponding to the following:

(a) *Loss of earnings or other benefits related to employment.* The Special Master may determine the loss of earnings or other benefits related to employment on a case-by-case basis, using documentation and other information submitted by the claimant, regarding the actual amount of work that the claimant has missed or will miss without compensation. Alternatively, the Special Master may determine the loss of earnings or other benefits related to employment by relying upon the methodology created pursuant to § 104.43(a) and adjusting the loss based upon the extent of the victim's physical harm.

(1) Disability; in general. In evaluating claims of disability, the Special Master will, in general, make a determination regarding whether the claimant is capable of performing his or her usual profession in light of the injuries.

(2) Total permanent disability. With respect to claims of total permanent disability, the Special Master may accept a determination of disability made by the Social Security Administration as evidence of disability without any further medical evidence or review. The Special Master may also consider determinations of permanent total disability made by other governmental agencies or private insurers in evaluating the claim. The Special Master may require that the claimant submit an evaluation of the claimant's disability and ability to perform his or her occupation prepared by medical experts.

(3) Partial disability. With respect to claims of partial disability, the Special Master may consider evidence of the effect of the partial disability on the claimant's ability to perform his or her usual occupation as well as the effect of the partial disability on the claim-

ant's ability to participate in usual daily activities.

(b) *Medical Expense Loss.* This loss equals the out-of-pocket medical expenses that were incurred as a result of the physical harm suffered by the victim (i.e., those medical expenses that were not paid for or reimbursed through health insurance or other programs for which the claimant was not charged). In addition, this loss equals future out-of-pocket medical expenses that will be incurred as a result of the physical harm suffered by the victim (i.e., those medical expenses that will not be paid for or reimbursed through health insurance). These losses shall be calculated on a case-by-case basis, using documentation and other information submitted by the claimant.

(c) *Replacement services loss.* For injured claimants who did not have any prior earned income, or who worked only part-time outside the home, economic loss may be determined with reference to replacement services and similar measures.

(d) *Loss of business or employment opportunities.* Such losses shall be addressed through the procedure outlined above in paragraph (a) of this section.

§ 104.46 Determination of presumed noneconomic losses for claimants who suffered physical harm.

The Special Master may determine the presumed noneconomic losses for claimants who suffered physical harm (but did not die) by relying upon the noneconomic losses described in § 104.44 and adjusting the losses based upon the extent of the victim's physical harm. Such presumed losses include any noneconomic component of replacement services loss.

§ 104.47 Collateral sources.

(a) *Payments that constitute collateral source compensation.* The amount of compensation shall be reduced by all collateral source compensation the claimant has received or is entitled to receive as a result of the terrorist-related aircraft crashes of September 11, 2001, or debris removal in the immediate aftermath, including life insurance, pension funds, death benefits programs, payments by Federal, State, or

local governments related to the terrorist-related aircraft crashes of September 11, 2001, or debris removal, including under the World Trade Center Health Program established under section 3001 of the Public Health Service Act (to the extent such program is authorized, at the time of the payment, to continue operations), and payments made pursuant to the settlement of a civil action as described in section 405(c)(3)(C)(iii) of the Act. In determining the appropriate collateral source offset for future benefit payments, the Special Master may employ an appropriate methodology for determining the present value of such future benefits. In determining the appropriate value of offsets for pension funds, life insurance and similar collateral sources, the Special Master may, as appropriate, reduce the amount of offsets to take account of self-contributions made or premiums paid by the victim during his or her lifetime. In determining the appropriate collateral source offset for future benefit payments that are contingent upon one or more future event(s), the Special Master may reduce such offsets to account for the possibility that the future contingencies may or may not occur. In cases where the recipients of collateral source compensation are not beneficiaries of the awards from the Fund, the Special Master shall have discretion to exclude such compensation from the collateral source offset where necessary to prevent beneficiaries from having their awards reduced by collateral source compensation that they will not receive.

(b) *Payments that do not constitute collateral source compensation.* The following payments received by claimants do not constitute collateral source compensation:

(1) The value of services or in-kind charitable gifts such as provision of emergency housing, food, or clothing; and

(2) Charitable donations distributed to the beneficiaries of the decedent, to the injured claimant, or to the beneficiaries of the injured claimant by privately funded charitable entities; provided however, that the Special Master may determine that funds provided to victims or their families through a pri-

vately funded charitable entity constitute, in substance, a payment described in paragraph (a) of this section.

(3) Tax benefits received from the Federal government as a result of the enactment of the Victims of Terrorism Tax Relief Act.

Subpart E—Payment of Claims

§ 104.51 Payments to eligible individuals.

(a) *Payment date.* Subject to paragraph (c) of this section, the Special Master shall authorize payment of an award to a claimant not later than 20 days after the date on which:

(1) The claimant accepts the presumed award; or

(2) A final award for the claimant is determined after a hearing on appeal.

(b) *Failure to accept or appeal presumed award.* If a claimant fails to accept or appeal the presumed award determined for that claimant within 30 days, the presumed award shall be deemed to have been accepted and all rights to appeal the award shall have been waived.

(c) *Pro-ration and payment of remaining claims.* The James Zadroga 9/11 Health and Compensation Act of 2010, Title II of Public Law 111–347, requires that the total amount of Federal funds paid for expenditures including compensation with respect to claims filed on or after October 3, 2011, will not exceed \$2,775,000,000. Furthermore, the total amount of Federal funds expended during the period from October 3, 2011, through October 3, 2016, may not exceed \$875,000,000.

(1) *In general.* The Special Master shall ratably reduce the amount of compensation due claimants in a manner to ensure, to the extent possible, that all claimants who are determined to be entitled to a payment receive a payment during the period from October 3, 2011, to October 3, 2016, and that the total amount of all such payments made during that 5-year period do not exceed the amount available under law during that period. The Special Master may periodically adjust the amount of ratable reduction in light of available information regarding potential future claims and available funds, and may

make additional payments in light of such adjustments.

(2) *Subsequent payments.* Subject to paragraph (c)(3) of this section, in any case in which the amount of a claim is ratably reduced pursuant to paragraph (c)(1) of this section, on or after October 3, 2016, but in no event later than October 3, 2017, the Special Master shall pay to the claimant the amount that is equal to the difference between:

(i) The amount that the claimant would have been paid under the presumed award; and

(ii) The amount the claimant was paid during the period from October 3, 2011, to October 3, 2016.

(3) In the event that the total amount of all claims under paragraph (c)(2) of this section exceeds the amount available under law, the Special Master shall ratably reduce the amount of compensation due claimants in a manner to ensure, to the extent possible, that all claimants who are determined to be entitled to an additional payment receive their pro-rated share of the available funds.

(4) At the time at which subsequent payments are made, the Special Master may review offsets from the World Trade Center Health Program that were included in the award determination and adjust such subsequent payments to reflect the Program's current status.

(5) During the five years that the Fund is accepting claims, the Special Master shall report periodically on the total amount of all claims under paragraph (c)(2) of this section.

§ 104.52 Distribution of award to decedent's beneficiaries.

The Personal Representative shall distribute the award in a manner consistent with the law of the decedent's domicile or any applicable rulings made by a court of competent jurisdiction. The Personal Representative shall, before payment is authorized, provide to the Special Master a plan for distribution of any award received from the Fund. Notwithstanding any other provision of these regulations or any other provision of state law, in the event that the Special Master concludes that the Personal Representative's plan for distribution does not ap-

propriately compensate the victim's spouse, children, or other relatives, the Special Master may direct the Personal Representative to distribute all or part of the award to such spouse, children, or other relatives.

Subpart F—Limitations

§ 104.61 Limitation on civil actions.

(a) *General.* Section 405(c)(3)(C) of the Act provides that upon the submission of a claim under the Fund, the claimant waives the right to file a civil action (or be a party to an action) in any Federal or State court for damages sustained as a result of the terrorist-related aircraft crashes of September 11, 2001, or for damages arising from or related to debris removal, except that this limitation does not apply to recover collateral source obligations, or to a civil action against any person who is a knowing participant in any conspiracy to hijack any aircraft or commit any terrorist act. The Special Master shall take appropriate steps to inform potential claimants of section 405(c)(3)(C) of the Act.

(b) *Pending actions.* Claimants who have filed a civil action or who are a party to such an action as described in paragraph (a) of this section may not file a claim with the Special Master unless they withdraw from such action not later than January 2, 2012.

(c) *Settled actions.* In the case of an individual who settled a civil action described in Section 405(c)(3)(C) of the Act, such individual may not submit a claim under this title unless such action was commenced after December 22, 2003, and a release of all claims in such action was tendered prior to January 2, 2011.

§ 104.62 Time limit on filing claims.

(a) *In general.* A claim may be filed by an individual (or by a personal representative on behalf of a deceased individual) during the period beginning on October 3, 2011, and ending on October 3, 2016, as follows:

(1) In the case that the individual knew (or reasonably should have known) before October 3, 2011, that the individual suffered a physical harm at

§ 104.63

a 9/11 crash site as a result of the terrorist-related aircraft crashes of September 11, 2001, or as a result of debris removal, and is eligible to file a claim under this Part as of October 3, 2011, the individual may file a claim not later than October 3, 2013.

(2) In the case that the individual first knew (or reasonably should have known) on or after October 3, 2011, that the individual suffered such a physical harm or in the case that the individual became eligible to file a claim under this Part on or after that date, the individual may file a claim not later than the last day of the 2-year period beginning on either the date that the individual first knew (or should have known) that the individual both suffered from such harm or the date the individual became eligible to file a claim under this title, whichever is later, but in no event beyond October 3, 2016.

(b) *Determination by Special Master.* The Special Master or the Special Master's designee should determine the timeliness of all claims under paragraph (a) of this section.

§ 104.63 Subrogation.

Compensation under this Fund does not constitute the recovery of tort damages against a third party nor the settlement of a third party action, and the United States shall be subrogated to all potential claims against third party tortfeasors of any victim receiving compensation from the Fund. For that reason, no person or entity having paid other benefits or compensation to or on behalf of a victim shall have any right of recovery, whether through subrogation or otherwise, against the compensation paid by the Fund.

Subpart G—Measures To Protect the Integrity of the Compensation Program

§ 104.71 Procedures to prevent and detect fraud.

(a) *Review of claims.* For the purpose of detecting and preventing the payment of fraudulent claims and for the purpose of assuring accurate and appropriate payments to eligible claimants, the Special Master shall implement procedures to:

(1) Verify, authenticate, and audit claims;

(2) Analyze claim submissions to detect inconsistencies, irregularities, duplication, and multiple claimants; and

(3) Ensure the quality control of claims review procedures.

(b) *Quality control.* The Special Master shall institute periodic quality control audits designed to evaluate the accuracy of submissions and the accuracy of payments, subject to the oversight of the Inspector General of the Department of Justice.

(c) *False or fraudulent claims.* The Special Master shall refer all evidence of false or fraudulent claims to appropriate law enforcement authorities.

Subpart H—Attorney Fees

§ 104.81 Limitation on Attorney Fees.

(a) *In general*—(1) *In general.* Notwithstanding any contract, the representative of an individual may not charge, for services rendered in connection with the claim of an individual under this title, including expenses routinely incurred in the course of providing legal services, more than 10 percent of an award paid under this title on such claim. Expenses incurred in connection with the claim of an individual in this title other than those that are routinely incurred in the course of providing legal services may be charged to a claimant only if they have been approved by the Special Master.

(2) *Certification.* In the case of any claim in connection with which servicers covered by this section were rendered, the representative shall certify his or her compliance with this section and shall provide such information as the Special Master requires to ensure such compliance.

(b) *Limitation*—(1) *In general.* Except as provided in paragraph (b)(2) of this section, in the case of an individual who was charged a legal fee in connection with the settlement of a civil action described in section 405(c)(3)(C)(iii) of the Act, the representative who charged such legal fee may not charge any amount for compensation for services rendered in connection with a claim filed by or on behalf of that individual under this title.

Department of Justice

§ 105.10

(2) *Exception.* If the legal fee charged in connection with the settlement of a civil action described in section 405(c)(3)(C)(iii) of the Act of an individual is less than 10 percent of the aggregate amount of compensation awarded to such individual through such settlement, the representative who charged such legal fee to that individual may charge an amount for compensation for services rendered to the extent that such amount charged is not more than—

(i) Ten (10) percent of such aggregate amount through the settlement, minus

(ii) The total amount of all legal fees charged for services rendered in connection with such settlement.

(c) *Discretion to lower fee.* In the event that the Special Master finds that the fee limit set by paragraph (a) or (b) of this section provides excessive compensation for services rendered in connection with such claim, the Special Master may, in the discretion of the Special Master, award as reasonable compensation for services rendered an amount lesser than that permitted for in paragraph (a) of this section.

Subpart A [Reserved]

Subpart B—Aviation Training for Aliens and Other Designated Individuals

§ 105.10 Definitions, purpose, and scope.

(a) *Definitions.*

ATSA means the Aviation and Transportation Security Act, Public Law 107-71.

Candidate means any person who is an alien as defined in section 101(a)(3) of the Immigration and Nationality Act, 8 U.S.C. 1101(a)(3), or a person specified by the Under Secretary of Transportation for Security, who seeks training in the operation of an aircraft with a maximum certificated takeoff weight of 12,500 pounds or more from a Provider.

Certificates with ratings recognized by the United States means a valid pilot or flight engineer certificate with ratings issued by the United States, or a valid foreign pilot or flight engineer license issued by a member of the Assembly of the International Civil Aviation Organization, as established by Article 43 of the Convention on International Civil Aviation.

Notification means providing the information required under this regulation in the format and manner specified.

Provider means a person or entity subject to regulation under Title 49 Subtitle VII, Part A, United States Code. This definition includes individual training providers, training centers, certificated carriers, and flight schools. Virtually all private providers of instruction in the operation of aircraft with a maximum certificated takeoff weight of 12,500 pounds or more are covered by section 113 of ATSA (49 U.S.C. 44939) and are therefore subject to this rule. Providers located in countries other than the United States are included in this definition to the extent that they are providing training leading to a United States license, certification, or rating. Providers who “dry-lease” simulator equipment to individuals or entities for use within the
